

# Carpark closure and footbridge access changes

## From Monday 31 August 2020

To support the station upgrade at Cannon Hill, seven carparks will be closed in the northern carpark (off Barrack Road). The closure will include:

- five spaces in the park 'n' ride - at the bottom of the footbridge
- two spaces in the kiss 'n' ride zone.

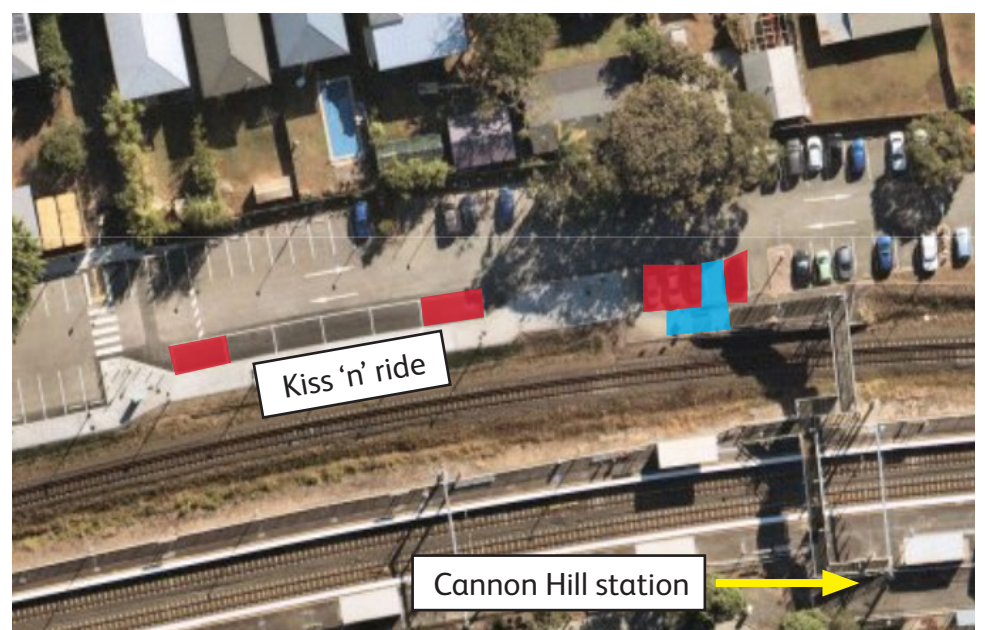

Customers are requested to assist us by removing vehicles from the carpark before **11pm Sunday 30 August**.

These carparks will be unavailable for the duration of the upgrade and will be in addition to those which are currently being used for the site compound.

Changes will also be made to the alignment of the bottom of the footbridge in the northern carpark, to allow for station upgrade construction.

The alignment changes will take several hours to complete. If the footbridge is unavailable when you travel, please follow directional signage in place to safely access the station via the level crossing.

We appreciate your cooperation and apologise for any inconvenience as we work to improve your station.

- Carpark closed
- Footbridge works

For more information about the accessibility upgrade, please contact the project team during business hours on **1800 722 203** (free call), email [stationsupgrade@qr.com.au](mailto:stationsupgrade@qr.com.au) or visit [queenslandrail.com.au](http://queenslandrail.com.au)
