

Auchenflower station accessibility upgrade

PROJECT UPDATE – JANUARY/FEBRUARY 2023

The Auchenflower station accessibility upgrade is part of the State Government's ongoing investment of more than \$500 million to upgrade stations across the South East Queensland network, making them accessible for all customers.

The new Auchenflower station was officially opened in January 2023.

Queensland Rail would like to thank customers and the local community for your patience and cooperation throughout construction.

Project update

Works recently undertaken at Auchenflower include:

- reinstated footpaths and pedestrian access
- reopening of upgraded carpark
- fit-out of new bicycle facilities
- landscaping – planting
- official opening of station.

Completion works

In the coming weeks, customers and the community can expect to see the following activities:

- landscaping establishment
- installation of information display screens and remaining minor telecommunications works
- platform surface sealing and minor paver works (during planned track closure, 11-12 February).

Please take care around the work zones.

Accessibility upgrade features

Features of the upgraded station include:

- a new pedestrian footbridge with lift access
- raised sections of platform at the core zone and assisted boarding point
- improved accessible parking
- upgraded hearing augmentation loop and tactile platform surfaces
- upgraded CCTV and lighting around the core zone
- new wayfinding and platform signage around the core zone
- new bicycle storage facilities.
