

Auchenflower station accessibility upgrade

WORKS NOTICE

Night works – temporary ticket office removal

1am Wednesday 12 October 2022

As part of the Auchenflower station accessibility upgrade, Queensland Rail will remove the temporary ticket office from site **from approximately 1am on Wednesday 12 October 2022**. Works are expected to take approximately one hour.

For safety, these works have been scheduled outside of timetabled rail services when there are fewer people around the station precincts.

During this time, cross-corridor pedestrian access will be via the station subway on lower Auchenflower Terrace.

Residents near the station may experience noise associated with the operation of a crane and truck movements. Every effort will be made to minimise disruption and we thank you for your patience during these important works.

Overview of works (weather and construction conditions permitting)

Location	Dates and hours of work	Type of work
Auchenflower station and carpark	From 1am on Wednesday 12 October for approximately one hour	Removal of temporary ticket office:
Auchenflower Terrace (corner Ridley Street)	(overnight works – Tuesday night/ Wednesday morning)	<ul style="list-style-type: none">• operation of crane• operation of machinery and heavy equipment• use of hand-held tools and powered equipment• movement of vehicles and machinery with flashing lights and reversing beepers• portable lighting towers in use at night• traffic management if/as required.

Queensland Rail Limited ABN 71 132 181 090

The Auchenflower station accessibility upgrade is part of the State Government's ongoing investment of more than \$500 million to upgrade stations across the South East Queensland network, making them accessible for all customers.
