

# Auchenflower station accessibility upgrade

WORKS NOTICE

## Night and after hours works

### August 2022

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake after hours works on **selected nights in August (6pm to 6am the next day)**.

In addition, around-the-clock activities will be undertaken **from 6pm Friday 19 until 6am Monday 22 August**. At Auchenflower, trains will continue to operate over this weekend but may stop at a different platform.

For safety, these works have been scheduled at times when rail traffic is reduced and there are fewer people around the station and hospital precincts.

To support site access and construction activity, localised lane closures and traffic management may be in operation at times throughout the month. Motorists are requested to follow the instructions of the traffic controllers and drive to the changed conditions.

Residents near the station may experience noise associated with construction activity and truck movements. Every effort will be made to minimise disruption and we thank you for your patience during these important works.

#### Overview of works (weather and construction conditions permitting)

Location	Dates and hours of work	Type of work
Auchenflower station, carpark and rail corridor  Surrounding local streets (traffic management)	<p><u>Night works in August</u> <b>6pm to 6am</b> the next day on:</p> <ul style="list-style-type: none"><li>Monday 1 August</li><li>Wednesday 3 August</li><li>Monday 8 August</li><li>Thursday 11 August</li><li>Monday 15 August</li><li>Wednesday 17 August</li><li>Monday 22 August</li><li>Wednesday 24 August</li><li>Monday 29 August</li><li>Wednesday 31 August</li></ul> <p>(10 separate nights in the month)</p> <p><u>Continuous weekend works</u></p> <ul style="list-style-type: none"><li><b>6pm Friday 19 to 6am Monday 22 August</b></li></ul> <p>(around-the-clock works)</p>	<p>Station upgrade activities involving:</p> <ul style="list-style-type: none"><li>station entry and footpath works</li><li>in-ground stormwater works</li><li>construction of retaining walls</li><li>concrete pumping and concrete works</li><li>excavation and removal of spoil by truck</li><li>operation of machinery and heavy equipment</li><li>use of hand-held tools and powered equipment</li><li>delivery and unloading of materials by truck</li><li>movement of vehicles and machinery with flashing lights and reversing beepers</li><li>portable lighting towers in use at night</li><li>traffic management if/as required.</li></ul>

Queensland Rail Limited ABN 71 132 181 090

The Auchenflower station accessibility upgrade is part of the State Government's ongoing investment of more than \$500 million to upgrade stations across the South East Queensland network, making them accessible for all customers.
