

Auchenflower station accessibility upgrade

WORKS NOTICE

After hour works and road closures

July 2021

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake night works (8pm to 5am the next day) from **Sunday 4 to Friday 9** and again from **Monday 12 to Friday 16 July**. (Additional nights Saturday 10, Saturday 17 and Monday 19 to Thursday 22 July will be worked, only if required.)

Following this program of nights, around-the-clock works will be undertaken during a scheduled weekend track closure from **8pm Friday 23 until 5am Monday 26 July**.

These works can only be undertaken after hours when rail traffic is reduced and there are fewer people around the station precinct.

Lang Parade will be closed (between Chasely Street and the hospital carpark) from 8pm Friday 23 to 5am Monday 26 July with access to the hospital carpark via Patrick Lane. Auchenflower Terrace (between Dixon Street and Ridley Street) will be closed until late October.

Residents near the station may experience noise associated with construction activity and the operation of excavators, cranes, concrete pumping trucks and equipment around the work zone. Every effort will be made to minimise disruption and we thank you for your patience during these important works.
