

Auchenflower station accessibility upgrade

WORKS NOTICE

Night works

June 2021

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake night works (**8pm to 5am** the next day, Monday to Friday) over two weeks **from Monday 21 June to Friday 2 July 2021**. These works are a continuation of those previously notified for the month of June and they can only be undertaken after hours when rail traffic is reduced and there are fewer people around the station precinct.

To support these works, there may be single-lane closures (under traffic control) on Auchenflower Terrace and Lang Parade on selected dates.

Residents near the station may experience some noise associated with construction activity and the operation of excavators, cranes, concrete pumping trucks and equipment around the work zone. Every effort will be made to minimise disruption and we thank you for your patience during these important works.
