

Auchenflower station accessibility upgrade

WORKS NOTICE

Night and after hours works

June 2022

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake after hours works on **selected nights in June (6pm to 6am the next day)**.

For safety, these works can only be undertaken after hours when rail traffic is reduced and there are fewer people around the station and hospital precincts.

Due to recent adverse weather, Lang Parade pedestrian crossing works (previously notified) have been rescheduled to the weekend Friday 3 to Monday 6 June. Overnight works will be undertaken on Friday 3 June only, with the remainder of the weekend's activities to be day shifts. (Lang Parade will be closed and access to The Wesley Hospital carpark will be via Patrick Lane during this weekend.)

Traffic management will be in operation support the pedestrian crossing installation, site access, concrete pumping and other construction activities. Motorists are advised to follow the instructions of the traffic controllers and drive to the changed conditions.

Residents near the station may experience noise associated with excavation, concrete pumping, truck movements and construction activity around the work zones.

Every effort will be made to minimise disruption and we thank you for your patience during these important works.

Overview of works (weather and construction conditions permitting)

Location	Dates and hours of work	Type of work
Auchenflower station, carpark and rail corridor Surrounding local streets (including Lang Parade)	Night works, 9pm to 7am the next day on: <ul style="list-style-type: none">Friday 3 June (overnight works, followed by day shifts on Saturday and Sunday) Night works, 6pm to 6am the next day on: <ul style="list-style-type: none">Monday 6 JuneWednesday 8 JuneMonday 13 JuneWednesday 15 June.
