

Auchenflower station accessibility upgrade

WORKS NOTICE

After hours (night) works and road closures

May 2021

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake a program of night works **in May 2021**. These works are a continuation of those notified in April and have been scheduled after hours when rail traffic is reduced and there are fewer people around the station precinct.

During the scheduled weekend track closure on Saturday 29 and Sunday 30 May, continuous (around-the-clock) works will be undertaken **from 8pm Friday 28 until 5am Monday 31 May**.

On selected dates (see below), **Auchenflower Terrace will be closed** between Mcllwraith Street and Ridley Street, with a traffic diversion via Mcllwraith Street, Harriett Street and Ridley Street.

Residents near the station may experience some noise associated with construction activity and the operation of excavators, cranes, concrete pumping trucks and equipment around the work zone. Every effort will be made to minimise disruption and we thank you for your patience during these important works.

Overview of works (weather and construction conditions permitting)

Location	Dates and hours of work	Type of work
Auchenflower station, carpark and rail corridor Station subway (closed during concrete pours)	<u>Night works in May:</u> 8pm to 5am the next day on: <ul style="list-style-type: none">• Tuesday 4 to Friday 7 May• Monday 10 to Friday 14 May• Monday 17 to Friday 21 May• Monday 24 to Thursday 27 May	Station upgrade activities involving: <ul style="list-style-type: none">• excavation and removal of spoil• bored piling (drilling) – foundations for new footbridge and stairs• concrete pours• platform works• operation of cranes, concrete trucks and movement of vehicles and machinery with flashing lights and reversing beepers
