

Auchenflower station accessibility upgrade

WORKS NOTICE

Night works

Monday 29 November to Wednesday 1 December 2021

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake excavation works over three nights from **Monday 29 November to Wednesday 1 December, 8pm to 5am** the next day (weather and construction conditions permitting).

Activities will involve a vacuum excavation truck positioned in Lang Parade behind platform 1 (hospital side of the station).

For safety, these works can only be undertaken after hours when there is reduced rail traffic and fewer people around the station and Wesley Hospital precincts.

A lane closure, under traffic management, will be in place in Lang Parade near the hospital carpark entrance.

Residents near the station may experience noise associated with the operation of the vacuum excavation truck and the movement of project vehicles around the work zone.

Every effort will be made to minimise disruption and we thank you for your understanding during these important works.

Overview of works

Location	Dates and hours of work	Type of work
Auchenflower station and rail corridor Lang Parade (lane closure and traffic management)	8pm to 5am the next day on: <ul style="list-style-type: none">Monday 29 NovemberTuesday 30 NovemberWednesday 1 December (over three nights)	Excavation behind platform 1 (Lang Parade side) involving: <ul style="list-style-type: none">operation of a vacuum excavation truckoperation of vehicles and machinery with flashing lights and reversing beepersuse of hand-held tools and powered equipmentportable lighting towers in use at nightlane closure and traffic management – Lang Parade.

The Auchenflower station accessibility upgrade is part of the State Government's ongoing investment of more than \$500 million to upgrade stations across the South East Queensland network, making them accessible for all customers.
