

Auchenflower station accessibility upgrade

WORKS NOTICE

Night works

September/October 2021

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake weeknight works (8pm to 5am the next day, excluding public holidays) between **Monday 27 September and Friday 8 October** (weather and construction conditions permitting).

These works are a continuation of after hours activities previously notified for September.

Residents near the station may experience some noise associated with construction activity and the operation of trucks and heavy equipment around the work zone.

The current full road closure on Auchenflower Terrace, between Dixon Street and Ridley Street, will be in place until Friday 29 October 2021.

Every effort will be made to minimise disruption and we thank you for your understanding during these important works.

Overview of works

Location	Dates and hours of work	Type of work
Auchenflower station and rail corridor Auchenflower Terrace (full road closure)	8pm to 5am the next day on: <ul style="list-style-type: none">Monday 27 September to Friday 1 OctoberTuesday 5 to Friday 8 October (over nine separate nights)	Station upgrade activities involving: <ul style="list-style-type: none">stormwater pipe installationexcavation, rock-breaking and removal of spoiloperation of cranes, concrete trucks and heavy equipmentmovement of vehicles and machinery with flashing lights and reversing beepersuse of hand-held tools and powered equipmentportable lighting towers in use at nightroad closure and traffic management (Auchenflower Terrace).

Queensland Rail Limited ABN 71 132 181 090

The Auchenflower station accessibility upgrade is part of the State Government's ongoing investment of more than \$500 million to upgrade stations across the South East Queensland network, making them accessible for all customers.
