

# Auchenflower station accessibility upgrade

WORKS NOTICE

## Night and weekend works

### February and March 2022

In addition to previously advised after hours works for the Auchenflower station accessibility upgrade, Queensland Rail will undertake night and weekend works on selected weekends in **February and March**.

Steelwork and stairs will be installed for the new Lang Parade station entrance on **Saturday 26 and Sunday 27 February** and a new pedestrian crossing will be constructed on Lang Parade on **Saturday 5 and Sunday 6 March**.

These works can only be undertaken out of hours to minimise the impact on Wesley Hospital operations and when there are fewer people around the station precinct.

Residents near the station may experience noise associated with construction activity and the operation trucks and heavy machinery around the work zone. Every effort will be made to minimise disruption and we thank you for your continued patience during these important works.

**On each of these weekends a full road closure of Lang Parade will be in place. All access to The Wesley Hospital carpark will be via Patrick Lane.** Motorists are advised to follow the instructions of the traffic controllers and drive to the changed conditions.
