

Auchenflower station accessibility upgrade

WORKS NOTICE

Weekend works and road closure

1am Saturday 13 to 5am Monday 15 February 2021

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake around-the-clock works **from 1am Saturday 13 until 5am Monday 15 February 2021** (weather and construction conditions permitting). These works have been planned during a scheduled track closure.

Over this weekend, **Auchenflower Terrace will be closed, 6am to 6pm Saturday and Sunday, between McIlwraith Street and Ridley Street** with a traffic diversion via McIlwraith and Harriett Streets. Motorists are requested to follow the instruction of the traffic controllers and drive to the changed conditions. Access to private property will be maintained. At times, Lang Parade will have traffic control in operation for safety.

Residents near the station may experience some noise associated with construction activity, the operation of machinery and the movement of vehicles and equipment around the work zone. Every effort will be made to minimise disruption and we apologise for any inconvenience as we build you a better Auchenflower station.
