

Auchenflower station accessibility upgrade

WORKS NOTICE

Weekend works and road closure

1am Saturday 14 to 5am Monday 16 November 2020

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake around-the-clock works **from 1am Saturday 14 until 5am Monday 16 November 2020** (continuous works, weather and construction conditions permitting). These works have been planned during a scheduled closure of the Ipswich line.

Over this weekend, **Auchenflower Terrace will be closed between Mcllwraith Street and Ridley Street** with a traffic diversion via Mcllwraith and Harriett Streets. Motorists are requested to follow the instruction of the traffic controllers and drive to the changed conditions. Access to private property will be maintained.

Residents near the station may experience some noise associated with construction activity, the operation of machinery and the movement of vehicles and equipment around the work zone.

Every effort will be made to minimise disruption and we apologise for any inconvenience as we build you a better Auchenflower station.

Overview of weekend works

Location	Dates and hours of work	Type of work
Auchenflower station, platforms, subway and carpark (closed)	1am Saturday 14 to 5am Monday 16 November (continuous works)	Station upgrade construction works involving: <ul style="list-style-type: none">operation of cranes, excavators, trucks, on-track vehicles and machinery with flashing lights and reversing beepersuse of saws, hand-held tools and powered equipmentmovement of personnel and vehicles around the station and in the rail corridorportable lighting towers in use at nighttraffic management (Auchenflower Terrace) with diversion via Mcllwraith and Harriett Streets.
Station concourse (open)		
Auchenflower Terrace (road closure)		
Rail corridor access gates (near Dixon Street, Eagle Terrace/Cue Street and Lang Parade)		

Queensland Rail Limited ABN 71 132 181 090

The Auchenflower station accessibility upgrade is part of Queensland Rail's program to upgrade stations across the South East Queensland network, making them accessible for all customers.
