

Auchenflower station accessibility upgrade

WORKS NOTICE

Weekend works – platform activities

Saturday 11 and Sunday 12 February 2023, 6am to 6pm

Queensland Rail will undertake weekend works on **Saturday 11 and Sunday 12 February (6am to 6pm – day shifts only)** as part of the completion of the Auchenflower station accessibility upgrade.

Activities will involve surface sealing and paver finishing works on the station platforms.

For safety, these works have been scheduled during a planned track closure when there are no trains operating. Sunday will be worked only if required.

Residents near the station may experience noise associated with the presence of personnel around the station precinct.

Every effort will be made to minimise disruption and we thank you for your understanding during these activities.
