

# Auchenflower station accessibility upgrade

WORKS NOTICE

## Night works – platform investigations (excavation)

Thursday 17 October 2019

In preparation for the Auchenflower station accessibility upgrade, Queensland Rail will undertake investigative excavation works on platform 1 (Lang Parade side) at night on **Thursday 17 October** from **10pm to 5am** the next day (weather and construction conditions permitting).

Works have been scheduled after hours for public safety and to minimise disruption to traffic on Lang Parade.

Nearby residents may experience noise associated with excavation activities and the operation of trucks around the work zone. Every effort will be made to minimise disruption and we apologise for any inconvenience as we undertake these important early works.
