

Temporary footbridge closure

Friday 15 to Sunday 17 October

From 6am Friday 15 to 5pm Sunday 17 October, the footbridge will be temporarily closed to allow for paving works to be carried out at the bottom of the stairs, lift shaft and front of platforms.

Customers will need to travel via the level crossing on Barrack Road to access both sides of the station and the northern and southern park 'n' rides.

We appreciate your patience and cooperation as we upgrade your station.
