

Cannon Hill station accessibility upgrade

WORKS NOTICE

Night and after hours works - platform works

December 2021

As part of the Cannon Hill station accessibility upgrade, Queensland Rail will carry out platform works from **Sunday 5 to Friday 10 December** and **Sunday 12 to Thursday 16 December** (weather and construction conditions permitting).

For the safety of our customers and construction workers, these works have been scheduled in the evenings when there is reduced rail traffic.

Nearby residents may experience some noise associated with construction activity, machinery and truck movements.

Every effort will be made to minimise disruption and we thank you for your patience while we build you a better Cannon Hill station.

Overview of night and after hours works

Location	Dates and hours of work	Type of work
Cannon Hill station - platforms 1 and 2	From 8pm to 6am the next day on: <ul style="list-style-type: none">Sunday 5 to Friday 10 December (over six nights)Sunday 12 to Thursday 16 December (over five nights)	Platform works involving: <ul style="list-style-type: none">paving, asphaltting and concretingthe use of hand-held tools and powered equipmentoperation of excavators, other machinery and trucks with horns and reversing beepersmovement of personnel and vehicles around the station precinct.

The Cannon Hill station accessibility upgrade is part of the State Government's ongoing investment of more than \$500 million to upgrade stations across the South East Queensland network, making them accessible for all customers.
