

# Temporary footbridge closure

## Friday 19 November 2021

From 6am to 4pm Friday 19 November, the station footbridge will be temporarily closed to allow for electrical cabling works to be carried out on the footbridge and stairs.

Customers will need to travel via the level crossing on Barrack Road to access the station platforms and the northern and southern park 'n' rides.

We appreciate your patience and cooperation as we upgrade your station.

 Footbridge closed       Site office       Station pedestrian access
