

Temporary carpark closure

Wednesday 28 April to Thursday 27 May 2021

Between **Wednesday 28 April and Thursday 27 May**, sections of the northern park 'n' ride will be temporary closed to support station accessibility upgrade works.

The station and footbridge will be inaccessible from the northern carpark on **Friday 14 May only** and a diversion will be in place via Armstrong Road. If you normally park here, please allow for extra travel time to the station on this day.

As station access will vary during this time, please ensure you follow directional signage in place and take care around the work zones (please see map below).

These changes will assist with the installation of the lift and stairs on the most northern end of the footbridge, and a new kerb in the northern park 'n' ride.

- Carparks closed Wednesday 28 April to Thursday 27 May
- Partial footbridge closure 14 May only
- Carparks closed Friday 14 May to Wednesday 19 May
- Current site office

Customers are requested to assist us by removing vehicles from the carpark before **11pm on Tuesday 27 April and Thursday 13 May**.

We appreciate your cooperation and patience as we work to upgrade and improve your station.

For more information about the accessibility upgrade, please contact the project team during business hours on **1800 722 203** (free call), email stationsupgrade@qr.com.au or visit queenslandrail.com.au
