

Temporary carpark, footbridge and station closure

From 6am Saturday 4 to 4am Monday 6 September, a section of the northern park 'n' ride, the footbridge and the station will be temporarily closed to support upgrade works.

Pedestrian access in the area will change and customers will need to travel via Armstrong Road to access Barrack Road and the southern side of the station.

A track closure will be in place and rail replacement bus services will operate. Ticketing equipment will be unavailable.*

We appreciate your patience as we upgrade your station.
