

Carpark closure – Auchenflower station

Extended to mid-December 2022

This carpark will remain closed until **mid-December 2022** to enable final carpark construction activities for the Auchenflower station accessibility upgrade.

Customers requiring parking should assess local on-street options or consider using another station during these works. Alternative customer parking is located at Toowong station.

The station will continue to operate, with some changes to access or facilities.

Pedestrian access to the station platforms and across the rail corridor will be maintained. Please follow directional signage and take care around the work zones.

We apologise for any inconvenience and thank you for your patience while we build you a better Auchenflower station.

For more information, please contact the project's community team on free call **1800 722 203** or email stationsupgrade@qr.com.au
