

# Night works

## Auchenflower station

### What?

As part of activities associated with the completion of the Auchenflower station accessibility upgrade, Queensland Rail will undertake overhead line works.

### When?

Works will be occurring between **9pm and 5am** the next day on:

- **Monday 20 February**
- **Tuesday 21 February.**

For safety, these works have been scheduled after hours when rail traffic is reduced and the power to the overhead lines can be switched off.

### Where?

Auchenflower station precinct and rail corridor.

Cross-corridor pedestrian access will be maintained via the station footbridge.

### Impacts

Machinery and construction noise

Rail and track maintenance

Late night works

Every effort will be made to minimise disruption and we thank you for your understanding during these important works.

Works may be subject to change due to weather conditions and operational requirements.

The Auchenflower station accessibility upgrade is part of the State Government's ongoing investment of more than \$500 million to upgrade stations across the South East Queensland network, making them accessible for all customers.
