

# Auchenflower station accessibility upgrade

WORKS NOTICE

## Night works and road closures

### April 2021

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake excavation and concreting works for the new footbridge footings (foundations) **on selected nights in April 2021** (weather and construction conditions permitting). These works have been scheduled after hours when rail traffic is reduced and there are fewer people around the station precinct.

The station subway will be closed to the public during the concrete pours. The station building concourse will remain open for cross-corridor pedestrian access.

On selected dates, **localised road closures with traffic diversions** will be in operation (see table, below).

Residents near the station may experience some noise associated with construction activity and the operation of excavators, concrete pumping trucks and equipment around the work zone.

Every effort will be made to minimise disruption and we thank you for your patience while we build you a better Auchenflower station.

#### Overview of works

Location	Dates and hours of work	Type of work
Auchenflower station, carpark and rail corridor  Station subway (closed during concrete pours)	<b>7pm to 5am</b> the next day on: <ul style="list-style-type: none"><li>Monday 12 April</li><li>Thursday 15 April</li><li>Friday 16 April</li><li>Monday 19 to Friday 23 April</li><li>Tuesday 27 April to Saturday 1 May (over 13 separate nights)</li></ul>	Station upgrade activities involving: <ul style="list-style-type: none"><li>excavation</li><li>concrete pours</li><li>operation of concrete trucks and movement of vehicles and machinery with flashing lights and reversing beepers</li><li>use of hand-held tools and powered equipment</li><li>portable lighting towers in use at night.</li></ul>
