

Auchenflower station accessibility upgrade

WORKS NOTICE

Night and weekend works **UPDATED**

January 2022

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake night works (6pm to 6am the next day) from **Monday 10 to Thursday 13 January and Monday 17 to Friday 21 January**.

These works can only be undertaken after hours when rail traffic is reduced and there are fewer people around the station precinct.

Following preparatory activities, around-the-clock weekend works will be undertaken from **8pm Friday 14 until 5am Monday 17 January**. During these weekend works, the station will remain open. Customers are advised to check information display screens and project signage as platforms may have changed.

Lane closures with traffic management may be required at times on Lang Parade and Auchenflower Terrace. Daytime road closures on Auchenflower Terrace will be in place between 6.30am and 5pm each day from Tuesday 4 to Friday 14 January. Lang Parade will also be closed (between Chaseley Street and The Wesley Hospital public carpark) from 8pm Friday 14 to 5am Monday 17 January with access to the hospital carpark via Patrick Lane. Motorists are advised to follow the instructions of the traffic controllers and drive to the changed conditions.

Residents near the station may experience noise associated with construction activity and the operation of cranes, heavy vehicles and trucks round the work zone. Every effort will be made to minimise disruption and we thank you for your patience during these important works.

Overview of works (weather and construction conditions permitting)
