

# Cannon Hill station accessibility upgrade

WORKS NOTICE

## Night works - lighting installation works Sunday 24 to Thursday 28 October 2021

As part of the Cannon Hill station accessibility upgrade, Queensland Rail will install new light fittings to the front of the canopies on platforms 1 and 2 from **Sunday 24 to Thursday 28 October** (weather and construction conditions permitting).

For safety, these works have been scheduled after hours when there is reduced rail traffic.

Nearby residents may experience some noise associated with construction activity and machinery. Mobile lighting towers will be used during the night works.

Every effort will be made to minimise disruption and we thank you for your patience while we build you a better Cannon Hill station.

### Overview of night works

Location	Dates and hours of work	Type of work
Cannon Hill station - platforms 1 and 2	<b>From 8pm to 6am on:</b> <ul style="list-style-type: none"><li><b>Sunday 24 to Wednesday 27 October</b> (over four nights)</li></ul> <b>From 6pm to 6am on:</b> <ul style="list-style-type: none"><li><b>Thursday 28 October</b></li></ul>	Lighting installation works involving: <ul style="list-style-type: none"><li>the use of hand-held tools and powered equipment</li><li>operation of a scissor lift with flashing lights and reversing beepers</li><li>movement of personnel and vehicles around the station precinct</li><li>portable lighting towers in use at night.</li></ul>

The Cannon Hill station accessibility upgrade is part of the State Government's ongoing investment of more than \$500 million to upgrade stations across the South East Queensland network, making them accessible for all customers.
